- **Soft Skills:** Communication, Adaptability, Willingness to Learn, Attention to Detail, Time Management, Teamwork & Collaboration

EXPERIENCE

Marketing Intern

ITECH-RAR Solutions, Inc. | Jan 2026 – May 2026 | Cebu City

- *Monitored pfSense and DaloRADIUS for active and disconnected subscribers and verified service speeds against subscribed plans, identifying and documenting service discrepancies.*
- *Cross-checked subscriber payment records in the MIS database with system status, identifying active users with unpaid or overdue balances.*
- *Conducted site audits at Malibu, Ortigas, and Deca Tower and documented findings, supporting accurate records and payment monitoring.*

PROJECTS

Capstone Title: “Smart ID Scanning System with Security and Data Analytics”

Role: Project Manager / Group Leader

- *Developed a barcode-based ID scanning system to monitor student, faculty, and staff entry and exit, supporting faster and more organized security monitoring.*
- *Designed the system interface, database structure, and dashboard for managing user records and scan data, providing organized access to security information and reports.*
- *Collaborated with a development team throughout the project, contributing to the planning, design, development, and testing of the system.*
